## Statement of Intent

At Foston and Terrington Federation and Stillington Primary School we are committed to providing a caring, friendly and safe environment for all of our pupils so they can learn in a relaxed and secure atmosphere. Bullying of any kind is unacceptable at our schools. If bullying does occur, all pupils should be able to tell and know that incidents will be dealt with promptly and effectively. We are 'telling' schools.

This means that anyone who knows that bullying is happening is expected to tell the staff. Our anti-bullying is strongly linked and taught through our core values of **love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control**.

## What is Bullying?

We have agreed as a school that bullying is:

- Deliberate
- Repetitive
- Unkind
- Malicious

We recognise that bullying can be:

- Verbal abuse (name calling, threatening, taunting, mimicking, making someone look silly)
- Physical (punching, kicking, hitting, spitting or any use of violence)
- Cyber (sending unkind things by text, email or social media)
- Emotional (being unfriendly, excluding, tormenting)
- Racist (racial taunts, graffiti, gestures)
- Sexist (discrimination on the basis of gender e.g. "girls can't play football")
- Homophobic (because of or focussing on the issue of sexuality)
- Any unfavourable/negative comments, gestures or actions made to someone relating to their disability or special educational needs

This school does not tolerate unlawful bullying or discrimination against someone on the grounds of any of these characteristics: age, disability, gender reassignment, marriage or civil partnership, pregnancy and maternity, race, religion/belief, sex (gender) and sexual orientation. These are often referred to as protected characteristics. All staff will be provided with appropriate training in equality and diversity, so that they are equipped to tackle these issues on a wider scale as well as in relation to bullying.

## Identifying and reporting concerns about bullying

All concerns about bullying are taken seriously and investigated thoroughly.

Pupils who are being bullied may not report it. All staff will be alert to signs of bullying and act promptly and firmly against it in accordance with this policy. Early signs of distress include:

- Withdrawn behaviour
- Deterioration of work
- Feigning illness
- Unusual absences
- Desire to remain with adults
- Isolating themselves from others
- Lacking concentration
- Truancing from school

## Why is it important to respond to bullying?

Bullying hurts. No one deserves to be a victim of bullying. Everybody has the right to be treated with respect. Pupils who are bullying need to learn different ways of behaving.

Schools have a responsibility to respond promptly and effectively to issues of bullying.

## Objectives of this Policy

- All governors, teaching and support staff, pupils and parents should understand what bullying is.
- All governors, teaching and support staff should know what the school policy is on bullying, and follow it when bullying is reported.
- All pupils and parents should know what the school policy is on bullying, and what they should do if bullying arises.
- As a school we take bullying seriously. Pupils and parents should be assured that they will be supported when bullying is reported.
- Bullying will not be tolerated.
