

# STILLINGTON PRIMARY SCHOOL BULLETIN

## Stillington School Weekly Email - 12th February 2021

### Happy Holidays!

The time has come for a well-deserved rest for children, parents and staff across our schools. We hope you enjoy your week and have the opportunity to recharge your batteries ready for next half term. A huge well done to all our children, staff and parents in these challenging times! Hopefully it won't be long before we can invite all our children safely back into schools, we miss seeing everyone in person! We will keep you updated with any news regarding school opening as soon as we receive government guidance. Have a great half term!

### World Book Day

We will be celebrating World Book Day on **Thursday 4<sup>th</sup> March**. The children will take part in various book themed activities throughout the day. This year instead of dressing up, we will be asking the children to dress a potato instead. The children at home and school will all then enter their potato into a competition judged by Mrs Moore. The results of the potato competition will be shared in our Celebration Assembly. All children in school **on the 4<sup>th</sup>** will be required to bring in a potato from home.

### KS2 Topic on Japan

Our topic next half term in KS2 is one suggested by the children, when we sought their views on designing our curriculum. We are very excited to share that in DT we will be making and cooking Japanese food.

In our first week of the topic, the children will have the opportunity to try food such as sushi, seaweed snacks and ramen noodles. For those children in school, we will be trying sushi (shop snack packs) with carrot, cucumber, prawns and salmon. If you have any concerns or do not wish your child to try these items, please can you contact the class teacher. For those children at home, please can you add a few Japanese food items to your shopping list for the children to try the cuisine.

As the project develops, the children will be designing and making their own ramen noodle soup. Further details will be shared on this when we move into the spring term.

Kindest Regards,

Katie Stringer – Assistant Headteacher
