

STILLINGTON PRIMARY SCHOOL BULLETIN

KS1 Infants

This week in EYFS & KS1 we have been making our own traction man puppets and acting out scenes from the book. In maths we have been comparing calculations and Year 2 have started to learn column addition. In EYFS we have been junk modelling based on our class story "On Sudden Hill" and learning all about the number 5. We have been playing in the shop and using 5ps to pay for the fruit. We have celebrated Anti-Bullying week and recapped how to identify bullying and what to do if we spot it. The children are really growing in independence and have taken to the routines beautifully. We're very proud of them so far this year.

KS2 Juniors

It's been yet another busy week in KS2. We've been learning about the different strategies we can use for multiplication and division, and in English we've been learning more about Odysseus' trip to The Land of the Dead. In our topic work, we've been getting beautifully messy as we've been making papier mache masks, in the style of the ones used in Greek theatre.

Parents' Evening

Please be aware that some teachers will be ringing from a 'with-held' number for parents' evening appointments next week. Each parent / carer will be allocated a 10 minute time slot. To ensure parents' evening runs smoothly, we have asked teachers to stick to the allocated times. Unfortunately, they will not be able to ring back later if an appointment is missed.

Bags to School

Mrs J Atkinson of **Friends of Stillington School**, would like to thank everyone for their help in raising £108 last week in the very larger than normal contributions of unwanted items. This has raised a wonderful amount for the school and is very much appreciated.

Parent Pay Registration Reminder

Please would it be possible for anyone who has not registered to do so as soon as possible. This is not only for lunches that are purchased, but for any other payments that may occur during the year, for example clubs and trips. We know that these are not on our diary with the covid restrictions, but if we could have everyone registered for the foreseeable future.

Quick reminder To Parents About Communication

Please could we ask that all communications are made through the school office. We are in unprecedented times and very conscious about looking after the mental health and well being of all our staff. In this way the office staff can pass on emails at an appropriate time during working hours. Thanks for your understanding and cooperation with this.
