

## Well Done!

A huge well done and thank you to all of the children for their hard work, determination and perseverance this week. A special well done to our certificate winners

- **Kieran Manson** - Kind & Considerate
- **Ryan Manson** - Listening carefully & following instructions
- **Charlotte Langley** - Always trying your best.
- **Luke Atkinson** - Special award for Effort
- **Toby Atkinson** - Perseverance

As a team we will be thinking carefully about developing our good learning behaviours over the next few weeks, allowing the children to become even more independent, confident and able to tackle challenges.

## Headlice

Headlice are in school again. **PARENTS ARE RESPONSIBLE FOR CHECKING THEIR CHILDREN'S HAIR FOR HEADLICE AND EGGS.**

Please be responsible and check your child's hair daily, especially on the hair behind the ears, nape of the neck and close to the scalp. It is extremely frustrating for families who are checking and treating their child's hair to keep getting re-infected and also for school staff who are at risk of infection. If children have hair that is longer than shoulder length can you please make sure that it is tied back when they are at school? This not only helps to stop the spread of nits but is also safer during P.E lessons and more hygienic during lunchtime.

## Winter Mornings

Children are recorded as late if they arrive after 9.10am. Can we please ask that if it has been frosty and the car needs to be cleared or if the footpaths are going to take a bit longer to walk on that you allow the extra time to get to school. Lateness has a big impact on learning not only for the child who is late but for the **whole class too**. Please would you ensure that children are at school and ready to start at 9am

## Cross Country

Huge well done to all of the KS2 children for completing the Cross Country run on Wednesday 16<sup>th</sup> January at Outwood Academy. Special mention to Oisin who came 7<sup>th</sup> well done.

## Get Involved!!!!!!

Over the next few weeks we will be looking to involve parents even more in the school life, such as through offering opportunities for parents to volunteer in the school and attend assemblies and other events. The school website will soon be updated, allowing you to also follow what we are doing through our new Twitter feed. We have also completed the attached overviews for this term so you can see what the children will be learning. These are exciting times for the school. If you have any ideas, comments or suggestions, please share them with me. They will be very much appreciated.

## Food & Hygiene

**Congratulations and well done** to Mrs Young for achieving a **5 rating** on her Environmental Health visit during the week.
