

Stillington Primary School
NEWSLETTER NO 18
Friday 25th January 2019

Well Done!

A huge well done and thank you to all of the children for their hard work, determination and perseverance this week. A special well done to our certificate winners

- **George Young** - Special award for learning independently
- **Connie Jackson** - Award for Perseverance in learning your numbers.
- **Harley wood** - Award for always trying your best especially in your fraction work
- **Oisin Regan** - Special award for effort especially in maths.

Congratulations to all our award winners this week keep up the good work.

Yr2 Multi-Skills Outwood Academy

We are still awaiting on some slips back from parents for the above event on Wednesday 30th January, 2019.

2pm to 3.30pm. Transport to and from the event is required and siblings of those taking part will be kept back until you are here to collect.

Winter Mornings

Children are recorded as late if they arrive after 9.10am. Can we please ask that if it has been frosty and the car needs to be cleared or if the footpaths are going to take a bit longer to walk on that you allow the extra time to get to school. Lateness has a big impact on learning not only for the child who is late but for the **whole class too**. Please would you ensure that children are at school and ready to start at 9am

Governor News

We are really pleased that further to the recent letter inviting nominations for two Parent Governor vacancies, there were two nominees: Claire Allen and James Strangeway, who have both been duly 'elected unopposed' to the Governing Board for a term of four years. Thank you to all parents, carers and nominees for your participation in the process.

We are also welcoming Kate Thompson to the Board who has been 'elected unopposed' as the Staff Governor, for a term of four years.

The diversity in skills and experiences that Claire, James and Kate are bringing to our team will be instrumental in ensuring governance of the school, so vital to our continuing school improvement.

I am sure they are looking forward to the challenge ahead, and hope they will find it interesting, worthwhile and rewarding. Should you wish to find out more about the Governing Board please speak to a member of the team or via the Chair of Governors.

Headlice

Headlice are in school again. **PARENTS ARE RESPONSIBLE FOR CHECKING THEIR CHILDREN'S HAIR FOR HEADLICE AND EGGS.**

It is extremely frustrating for families who are checking and treating their child's hair to keep getting re-infected and also for school staff who are at risk of infection.
