

Well Done!

A huge well done and thank you to all of the children who have achieved our core values this week

A special well done to our certificate winners:

Thomas Teal - Connect (for looking after his friend when they were upset).

Tyler Jackson - Aspire (for writing a wonderful story in literacy about the Stone Age).

Luke Atkinson - Endeavour (Well done for trying so hard in maths and literacy. You have persevered with your Stone Age story and I cannot wait to see the finished version).

Congratulations to all our award winners this week.

Keep up the good work!

What have we been doing this week!

This week we have celebrated 'World Book Day' and enjoyed making story telling props, sharing stories and talking about our favourite books. We have been given lots of amazing books, thanks to Mrs Johnson, which we are going to set up a playground lending library. The children have chosen one of the books today and we will set up an area in the playground with the other books to swap them.

Well done to **Grace** and **Seth** who have won the Reading prize for this half term. Well done for reading the most at home and for keeping your reading records safe and up to date. We hope that you choose a fantastic book with your prize!

EYFS/KS1 have taken their 'Great Fire of London' Newspaper reports to the Post Office to share their brilliant work within the community, please let us know if any of your friends or neighbours tell you they liked reading them.

KS2 are currently finishing some exciting stories about an unexpected trip to the Stone Age - we will soon be turning these in to books so that you can enjoy these too!

We would also like some feedback from parents and the local community about how the school has changed and developed since January 2019, we would be very grateful if you could take the time to write down your thoughts so we can share these around school.

Have a wonderful weekend.
