

### Mother's Day Lunch

Spring is here and the weather outside is lovely and sunny. We had a fantastic response to our Mother's Day Lunch and on behalf of Mr Robinson, Head teacher, all the staff and pupils, we would like to thank everyone for making this event so special and hope everyone enjoyed themselves today. Keep a watch for many more events that are being planned for the school.

### P.E. Kits

Please make sure that all pupils have their P. E. kits available every day at school.

### Head Lice & Nits

Head lice and nits are in school again. **PARENTS ARE RESPONSIBLE FOR CHECKING THEIR CHILDREN'S HAIR FOR HEAD LICE AND EGGS.** Please be responsible and check your child's head especially behind the ears, nape of the neck and close to the scalp. We recommend using a medicated shampoo to make sure they are gone for good!

### What have The Infants done this week?

This week we have been finishing off our newspaper articles, reporting on the first ever telephone. We have learnt about the post service and yesterday we walked to the post box to post our letters to our friends. Many thanks to Miss Robson who delivered a fantastic cheerleading session to the whole school; the children loved it and their performance at the end was great to watch! In maths we have been exploring capacity and mass using lots of different resources. EYFS have been enjoying meeting the Number Blocks characters and learning new mathematical skills.

### What have The Juniors done this week?

This week we have been writing restaurant reviews. We have been completing our Roman mosaics and starting to think about our designs for a siege tower. This is going to be our next Design and Technology project. In Maths - Y3/4 have been learning about symmetry and Y5/6 have been learning about percentages and decimals. Letters will be going out next week within information about a trip planned to Yorkshire Museum in York. We will be learning about the life of a Roman Soldier.
