

### **Well Done!**

A huge well done and thank you to all of the children for their hard work, determination and perseverance this week. A special well done to our certificate winners:

**Tyler Jackson** - For perseverance in spelling.

**Maddie Benson** - For being kind and considerate.

**Harry Coulson** - Always trying your best.

**Harrison Bird** - Special award for fantastic singing.

**Congratulations to all our award winners this week. Keep up the good work!**

### **Trees**

We are proud supporters of the protection of The Great Northern Forest. This week children began planting trees in the school grounds to contribute to the preservation of woodland. They learnt about how they grow and how to protect them when they are growing. Pictures will be on Twitter this weekend!

### **Bags to School**

### **What have the Infants done this week?**

This week, Infants have been learning about the Easter story and practising our songs for the Easter service. We have started our maths unit, 'Measuring Time', and would love to hear about the children using these skills at home. Year Twos have been working hard during assessments and we have been impressed with their determination!

### **Easter**

**Raffle:** There are a few squares still left if you don't want to miss out on the wonderful prizes. See Jo Atkinson should you wish to buy a square. The winners will be drawn on **Tuesday 9<sup>th</sup> April, 2019.**

**Competition:** We're really looking forward to seeing the Easter egg creations on Friday!

**Church Service:** A reminder that our Easter Service will be held on Thursday 11<sup>th</sup> April at 2pm at Stillington Church. Everyone welcome!

### **What have the Juniors done this week?**

This week, the children in the Juniors have been starting to research their favourite aspects of the Roman topic in more detail, to include in their non-chronological reports next week. The children have also started to plan how they will construct their siege towers, making them moveable yet strong. We will test the strength of these when they are finished! In science next week we will also investigate which colours are most reflective.

Lastly, well done to the children for approaching their assessments this week with determination and perseverance. We will go through these next week and learn from any mistakes that we might have made.
