

### **Well Done!**

A huge well done and thank you to all of the children for their hard work, determination and perseverance this week. A special well done to our certificate winners:

Harley Wood - Always trying your best.

Grace Langley - Kind and considerate

Harrison Bird - listening carefully and following instructions

Edith Strangeway - Special aware for work during the holidays

Oscar Rathmell - Perseverance in phonics and not giving up.

**Congratulations to all our award winners this week. Keep up the good work!**

### **Dinner Money**

There are only four weeks before our Spring Bank holidays. Dinner money for the half term is **£39.60**

Weekly payments are £11.00 for all Junior children.

Cheques should be made payable to Stillington Primary School and all payments should be in clearly labelled envelopes. Bank payments should state your child's name and specify that they are for lunches. Please

send an email to [admin@stillington.n-yorks.sch.uk](mailto:admin@stillington.n-yorks.sch.uk) to confirm payment. Thank you.

### **Notice to Parents**

We are now happy to report that the school meals are now prepared on our premises, but due to rising costs, there is to be an increase in the amount we charge. Pupils will increase by 10p to **£2.30** and Adults will increase by 10p to **£2.86**.

This will take effect from Monday 3<sup>rd</sup> June, 2019 upon our return from Spring Bank Holiday

### **What have the Infants done this week?**

This week we have begun our topic 'Incredible India'. We have learnt about Diwali and designed diva lamps that we will make. In science we are learning about plants and what they need to grow. We have planted runner beans and hope to see them grow in the coming weeks! Reception have enjoyed their activities around the book, 'We're Going on a Bear Hunt'. We're also really excited to welcome Miss Braham today, who will be taking over from Mrs Speake when she starts her maternity leave. Miss Braham will be working a few days this half term, so she and the children can get to know each other and to ensure a smooth transition in the coming weeks.

### **SAT'S**

Week commencing 13<sup>th</sup> May is the start of the year 6 SAT'S. All year 6 can come to school from 8.30 am to allow them to have some breakfast and start the day off as relaxed and prepared as possible. They could also go over any concerns they may have or do a little more revision.

### **What have the Juniors done this week?**

We are starting a new topic this week - **Waterworld.**

The juniors have been writing poetry about what it would be like to be marooned on a desert Island. The children have also been learning about the human body, focussing on the organs, which they have really enjoyed. We will be learning about the circulatory system next week.
