

Well Done!

A huge well done and thank you to all of the children for their hard work, determination and perseverance this week. A special well done to our certificate winners:

Charlotte Langley

Special Award for playing well and been kind.

Luke Atkinson

Special Award for good handwriting.

Oliver Meadowcroft

Special Award for always trying your best

Congratulations to all our award winners this week. Keep up the good work!

Parents' Survey Summer Term 2019

We have handed out the above survey to our pupils this week. If you could complete and return this questionnaire to the school by **Wednesday 5th June 2019.**

Dinner Money

Dinner money for the next half term is
£80.50 (7wks x 11.50)

Weekly payments are £11.50 for all Junior children.

Cheques should be made payable to Stillington Primary School and all payments should be in clearly labelled envelopes. Bank payments should state your child's name and specify that they are for lunches. Please send an email to admin@stillington.n-yorks.sch.uk to confirm payment. Thank you.

Kwik Cricket

Well done to all who participated in yesterday's Kwik Cricket. The team did not come first but they enjoyed the event very much and represented the school fantastically.

What have the Infants done this week?

Infants: This week the children enjoyed our Indian themed parts, where we tasted Indian food and learnt some Bollywood dancing. A big well done to those children in KS1 who completed the SATS; they worked very hard and we are extremely proud of them.

A message from Mrs Speake

I would like to say a huge thank you to the staff, governors, children and parents for their generosity and kind words on Wednesday. I'm excited for the coming months but will greatly miss everyone, especially my KS1 monkeys! I hope to pop back soon to see how they are getting on and share my new addition. Thank you for making my time at Stillington so special and I really hope to return next year and continue being part of the Stillington family.

What have the Juniors done this week?

This week the Junior class have been completing their island settings and describing the dilemma facing their character. When we return from half term we will be planning and writing TV interviews with the brave survivors! We have also been exploring the circulatory system, experimenting with different types of paint and attempting some observational drawing - not easy when the subject is a fish that keeps moving!

Next half term we will focus on the value of friendship. We will also be exploring the need for a balanced diet and the effect that various things can have on our bodies. We will also start to make our tilting maze. On behalf of everybody at the school, have a wonderful, relaxing, adventurous, creative, fun half term!
