

Well Done!

A huge well done and thank you to all of the children for their hard work, determination and perseverance this week.

A special well done to our certificate winners:
Poppy Meadowcroft - Special Award for Perseverance.

Thomas Teal - Special Award for Listening and Following Instructions

Laighton Thirling - Special award going the extra mile in his work

Kieran Manson - Special Award for Always Trying Your Best.

Congratulations to all our award winners this week. Keep up the good work!

Sponsored Walk - 3rd July

We would like to give the children an unforgettable experience by taking the whole school to Flamingo Land.

In order to provide this, we would like to do a sponsored walk to help raise some of the funds for this trip.

Watch for letters next week together with a sponsor form and route map.

What have the Infants done this week?

This week the infants have been busy finishing work linked to 'Meerkat Mail' we have written postcards from Sunny in The Arctic, and made some wonderful safari sunset pictures using pastels. In topic we have begun to learn about Kenya. All the children who have carried out the Phonics Screening Check, have worked hard and should all be very proud of themselves.

Parents' Survey Summer Term 2019

'It is important that you have your say'. All your comments are taken seriously and use this information for next year's planning. Only 7 Surveys returned. If you could return by Monday 17th June.

Beningbrough Hall

On the 9th July, the whole school will be going on a fun day out to Beningbrough Hall & Gardens. The children will be involved in a science workshop which will touch on the subjects Growing and Living things. Watch out for the letters next week. The afternoon will include playing in the new play park which I am sure they are going to love.

What have the Junior's done this week?

We have been finishing off our interviews in literacy. The year 6's have been performing their productions for their television shows. In Maths the year 6's have been concentrating on problem solving and year 3.4. & 5 have been focussing on statistics. Next week they will be looking at different graphs and charts. In science we have been exploring the impact of different things on the human body and in PHSCE, we have been exploring gender stereotyping and different roles in society.
