

**Stillington Primary School**  
**PE and Sports Premium – Impact report 2019 - 2020**

**Allocation: £16290**

The grant has been allocated to improve the physical experiences of all pupils in the following ways:

- up-skill teachers to improve the quality of sport lessons through the appointment of sports coaches to work across FS/KS1/KS2 leading PE sessions
- provide more opportunities for pupils to take part in inter-school and regional competitions including football, netball, cross country, athletics, quick-cricket, rounders, hockey and swimming
- through the skills demonstrated by sports coaches introduce a wider variety of sports to encourage children to enjoy more sport
- provide an after school club for pupils promoting health, sport, fun & fitness
- provide adult directed sport/physical activities for 30mins each lunchtime
- the purchase of equipment
- help children build a healthier lifestyle through exercise
- encourage children to eat healthily and to make healthy food choices
- provide additional swimming lessons for all pupils due to our rural location and distance to the nearest pool making it challenging for families to attend regularly, to include lifesaving and advanced swimming skills beyond that stated in the KS2 National Curriculum
- ensure that there is a sport's co-ordinator at the secondary school who will organise all of the sporting events which our children enjoy taking part in through the year

**IMPACT ON PUPILS AT STILLINGTON PRIMARY SCHOOL**

1. Staff skills developed through observation of lessons led by sports specialists-staff confidence and subject knowledge increased. Both class teachers and ATA had opportunities to observe teaching by specialist coaches. Informed own practice.
2. Positive impact of male role models in school who have promoted exercise and healthy lifestyles. Children are able to articulate the importance of physical activity / healthy lifestyles. Playground Leaders

'course' completed by Year 5 pupils with Outwood, allowing them to shape more active activities at playtimes.

3. School more involved in inter school and regional competitions Cluster events attended at Outwood Academy- Y6 athletics / athletics / rounders / cricket / kwik sticks hockey. Summer term affected by COVID. Cluster athletics also attended.

4. A greater choice of physical activities offered at playtimes to improve active involvement, cooperation and promote good behaviour. After- school Multisport club adapted to meet the interests of the children - included football / multisports / striking and fielding. Up to 8 pupils attended.

5. Greater attendance at after school clubs See above.

6. Improved water confidence & safety and swimming ability – swimming lessons deferred due to COVID

7. 100% of Y6 pupils (1) will meet the National Curriculum expectation for swimming and will swim competently, confidently and proficiently over a distance of at least 25 metres, can use a range of strokes effectively and can perform a safe self-rescue in different water-based situations. – swimming lessons deferred due to COVID. Target still met (external assessment).

8. Children experience an enhanced range of physical, sporting and adventurous activities. See above. All Key Stage 2 also attended Bewerley Park. Summer term enhancements cancelled by COVID
