### Crucial Crew Trip

Today the year 6s went to RAF Leeming to take part in Crucial Crew. They participated in a range of workshops including Fire safety, Drugs awareness, Safety on the Railways, LGBTQ, Police and Mental Health.

### Dinner Money

Dinner money for all Junior children for the next half term will be £77.00 and weekly payments are £11.00. Please note the dinner money has to be paid in advance. Any unpaid dinner money must be paid before the end of term.

### Beningbrough Hall Trip

The infants continued their learning about houses and homes by visiting a local Victorian house. They spent the morning learning about the life of a servant and took part in a Victorian laundry workshop. Following this they made their own polish and polished cutlery under the watchful eye of the housekeeper. In the afternoon they went above stairs to see 'how the other half lived'.

The children asked lots of questions and behaved well throughout the day. As a reward the children enjoyed a well-deserved play in the woodland play area.

### September Admissions - 2019

If you have a child who is due to start secondary school in September 2019 now is the time to apply. Please visit [www.northyorks.gov.uk/admissions](http://www.northyorks.gov.uk/admissions) to make your application. This must be completed by the 31<sup>st</sup> October, 2018.

### FOSS AGM

The FOSS AGM will be held on the 7<sup>th</sup> November at 7pm in the School hall. All parents are automatically Friends of Stillington School up on their children joining the school so everybody is welcome. Please come along to hear about future fund raising opportunities, how you can be involved and how the money raised benefits your children.

### Headlice

Headlice are in school again. **Parents are responsible for checking their children's hair for headlice and eggs.**

Please be responsible and check your child's hair daily, especially on the hair behind the ears, nape of the neck and close to the scalp.

If children have hair that is longer than shoulder length can you please make sure that it is tied back when they are at school. This not only helps to stop the spread of nits but is also safer during P.E lessons and more hygienic during lunchtime. **Some chemists are part of the NHS Minor Ailments Scheme and will provide headlice treatment free of charge if you do not pay for your prescriptions. Please talk to your local chemists to see if they are part of this scheme.**

### Cluster Football

A super effort from the whole team. We are very proud of your enthusiasm and team spirit.

### Half Term Activities

This week you will have received a collection of leaflets offering a variety of sporting activities available during the half term holidays.
