Parents Evening

Please would you kindly return all your slips by Monday 3rd December. This will ensure that the times preferred can be allocated where possible. All slips returned so far have been given back to the children today with appointment times written on them. Due to many of the appointments being during school time, Mrs Speake will be carrying out her parents evening appointments in the playgroup room in the porta-cabin and Miss Pipes will be in the upstairs office. For safeguarding reasons it is essential that parents report to the school office on arrival for their appointment in order to sign in with Mrs Collingwood. She will then escort you to the office/playgroup room. Thank you
