24th February 2021

Dear Parents,

It is with great delight that I write to inform you that following our proposal and subsequent consultation to lower the age range of the school (to age 3-11) we have now received official approval with effect from today - 24 February 2021.

This is fantastic news for our school and local community and is testament to the hard work of the whole staff team and the huge improvements we have made in our journey so far, particularly given the recent challenges posed by Coronavirus.

With this in mind and in order to ensure we continue to provide the very best education to our current pupils, and can offer effective support for our new younger children, we will initially be staging our nursery intake as follows:

- Easter 2021 to July 2021, we will welcome pre-school children due to start school in Sept 2021
- Sept 2021 to Christmas 2021, we will welcome pre-school children due to start school in Sept 2022
- From January 2022, we will welcome children from the day after their third birthday

Please do get in touch via the school office if you are considering a nursery place for your child/ren or would like any more information about all that our new Early Years provision can offer.

With many thanks for your continued support,

Corinne Cross
Chair of Governors
