

What have the Infants done this week?

In English this week we have continued our focus on writing sentences using capital letters, finger space, full stops and connectives, year 2 have focused on expanded noun phrases to develop their writing. Yesterday we designed our own villages to write about and in maths year 1 have continued to focus on counting, grouping in 2's, 5's and 10's whereas year 2 have been multiplying in 2's, 5's and 10's. We have been busy every afternoon practicing our Nativity play and songs, its coming together nicely and cannot wait to show you all.

Have a great weekend

Mrs Hanger x

What have the Juniors done this week?

This week we have continued to develop our biography writing skills in literacy, whilst in maths we have continued to develop our problem solving skills and knowledge of one and two-way tables.

Reading

The children now have an extra incentive to read at home and ask parents/family etc. to sign their reading records - our new class reward chart! We are currently renovating the school reading scheme so as to ensure that the children always have an appropriately challenging book to take home.

Please also continue to send in your pictures of the children reading in the most unusual, crazy places for our reading display.

Have a great weekend!

Mr R
