

### **Well Done!**

A huge well done and thank you to all of the children for their hard work, determination and perseverance this week

A special well done to our certificate winners

**Harry Coulson** - Special Award for fantastic reading.

**Seth Goodwin** - Congratulations Award for taking part in space chase at local library.

**Ryan Manson** - Special Award for fantastic science work.

**Grace Langley** - Special Award for always trying your best.

**Congratulations to all our award winners this week. Keep up the good work!**

### **Stillington Sports & Social Club Quiz Night**

All monies raised is to go to **Friends of Stillington School**. They provide lots of financial support to our school which we are very grateful. Should you wish to make a monitory donation of £1 to provide a navies' breakfast for one of our three raffle prizes. It would be most appreciated.

### **Diary Dates to Remember**

**Photographs** - 25<sup>th</sup> October, 2019

**Crucial Crew** - 20<sup>th</sup> November, 2019

**Half Term** - Starts 28<sup>th</sup> oct, 2019

**Return to school** - 4<sup>th</sup> Nov, 2019

**Christmas holidays** - Starts 23<sup>rd</sup> Dec, 2019

**Teacher training day** - 6<sup>th</sup> Jan, 2020

**Young Voices** - 7<sup>th</sup> January, 2020

**Return to school** - 7<sup>th</sup> Jan, 2020

**Spring holidays** - starts 17<sup>th</sup> Feb, 2020

**Return to school** - 24<sup>th</sup> Feb, 2020

**Easter holidays** - Start 6<sup>th</sup> Apr, 2020

**Teacher Training day** - 20<sup>th</sup> Apr, 2020

**Return to school** - 21<sup>st</sup> Apr, 2020

### **What have the Infants done this week?**

The children have had another busy week. In English they have finished their work on Beegu and have moved on to look at non-fiction books.

They have been writing captions and labelling pictures of animals.

In Maths, Year two have carried on learning about place value and Year one have been working on numbers correctly and on what is one more or one less than a given number.

In science they have learned about carnivores, herbivores and omnivores and about food chains.

We have all made models of Beegu in her alien space ship and we carry on working hard at our reading and spelling.

### **What have the Junior's done this week?**

This week the Juniors have started to design and create Moon Buggies. Their challenge is to build a moon buggy which will travel furthest over rough ground, at the same time protecting the driver - an egg! Later in the term we will add electric motors to these!

In maths we have moved on to a new topic of addition and subtraction. Alongside this, please help the children to learn their 4x table this week. If they can recall these facts we will be focusing on the 6x table next, so some early practice might be useful!

In literacy we will be completing our Blog about a disaster on the International Space Centre.
