

### Well Done!

A huge well done and thank you to all of the children who have achieved our core values this week

A special well done to our certificate winners:

**Luke Atkinson - Respect** (For saying please and thank-you to adults in school)

**Eden Bird - Endeavour** (for trying and and completing your 'Great Fire of London' writing.)

**Maddie Benson - Aspire** (Working very hard in literacy and trying your very best. Produced some super work.)

**Grace Langley - Connect** (Well done for working so hard and looking for ways to help others

**Congratulations to all our award winners this week.**

**Keep up the good work!**

### Morning routine

Could I please remind everyone that should you be later than 9 am on the playground, to take your child/children to the office where Mrs Collingwood will take them to their class for late register? This is to avoid any disturbances to a class which may have already started their lessons.

Many thanks for your cooperation.

### Multi Skills Year 2 on 6<sup>th</sup> February 2020

If parents could pick up their children at 12.30 pm at Stillington Primary as the event begins at 1 pm. Mrs Reynolds will meet you all at the main entrance at the **Galtres Centre in Easingwold**. Children will need collecting at 3 pm when the event finishes.

If you are having difficulties getting your children to and from the event, please would you speak to Mrs Reynold on Monday next week?

### Happy Friday!

#### EYFS /KS1

We have had a very exciting week. We visited the fire station and had a great talk from Sam about keeping safe around fire and how they fight fires today compared with how they tried to put the Great Fire of London fire out in 1666. We made our own street in London from our Tudor houses and set fire to them to see how the fire would have spread, the kids loved watching the wind blow the fire across the houses.

#### Key Stage 2

We have been developing our understanding of fractions whilst continuing with our persuasive texts. We have also been exploring how fossils are formed. The children have also been developing their drawing skills.

#### Reading

We hope that you are enjoying the new reading scheme. Please keep trying hard to let your children read regularly to an adult at home and help [the children bring their reading books/records every day.

#### Knowledge maps

To help clarify what we will be covering in History and Science, we have also attached **Knowledge Organisers** for our current topics, outlining the key knowledge that the children need to develop. If you have any questions about these please don't hesitate to come and see us.

**Have a great weekend**
