

# STILLINGTON PRIMARY SCHOOL BULLETIN

Stillington School Weekly Email - 8th February 2021

## **Mrs Moore's Update**

The end of another week and on step closer to welcoming all our children back whenever we are allowed to do so. This is something that can't come quick enough for me. We miss everyone terribly. It has been amazing to lead sharing assemblies over the last two weeks at our schools. This has been a chance to bring our school communities together and celebrate the amazing work that has been going on both in and out of school. A huge well done to all. Our next sharing assembly will take place as below and we look forward to seeing you all again.

## **Stillington Sharing Assembly – Friday, 26<sup>th</sup> February at 2.30**

## **E-safety Day**

On Tuesday 9<sup>th</sup> February we will be celebrating e-safety day. In addition to the daily learning, the children will also be learning how to stay safe online. It is of extreme importance that the children know how to keep themselves safe, especially when accessing a variety of websites to complete their home learning. We are also aware that some of the learning videos are direct links to YouTube; it is advised that children are supervised when accessing YouTube as some videos can be dubbed and there are a range of adverts directed to an adult audience.

## **E-safety Parent Workshop**

Please can we remind you that the e-safety workshop for parents will be this Tuesday 9<sup>th</sup> February at 6pm. This is not suitable for children.

## **Fantastic Friday**

We like to celebrate the end of each half term by holding Fantastic Friday theme days, with a range of activities and enhancements for the children. This half term we will be focussing on Fairtrade. The children will require a range of basic creative materials for the morning session. As part of our fair-trade project, you could also take part in The Great Big Art Exhibition by using your front windows, gardens or balconies to display what you create. For information on the Great Big Art Exhibition please see below

## **The Great Big Art Exhibition!**

To access your pack at any time, tap the link below. [Access your pack here](#)

## **We're excited to see what you'll make!**

Share your artworks with us on social media by using the hashtag **#thegreatbigartexhibition2021** and your artwork could be featured across our channels!

Follow us on [Facebook](#), [Instagram](#) and [Twitter](#) for the latest updates and see what people have been making across the nation.

As an end of half term treat, we thought it would be nice to have a family based afternoon, enjoying a walk, playing a game or baking some delicious treat.

## Jorvik Centre

It is the annual Viking festival in York from 8<sup>th</sup>-12<sup>th</sup> February, please find a link to a range of resources that can be used <https://jorvikvikingfestival.co.uk/>

# SCHOOLS WEEK

8-12 FEBRUARY 2021

Celebrating all things Norse especially for schools and home educators, join us free and online from 8 - 12 February 2021 for daily livestreams plus a host of new video content from the world-famous JORVIK Viking Centre in York.

Whether in the classroom or learning from home, pupils will be able to:

- take a virtual tour of the recreated Viking-age Coppergate in York with a brand new 360 degree video of our unique ride experience
- meet our Vikings, and hear from our expert interpretation team about the crafts and skills of their Norse ancestors living in 10th century York
- enjoy famous authors reading excerpts from their Viking-themed children's books (a great way to encourage reading during the following half term week)

**Sign-up below** for access to all the free activities.
