

STILLINGTON PRIMARY SCHOOL BULLETIN

Week Ending 12th March 2021

Welcome Back

Welcome back to all our families. It has been lovely to see you all and the children have settled back in so well to their classes and we are extremely proud of them. As of next week, the Bulletin will also be on the websites for all three schools.

Mrs Sarah Moore, Headteacher.

Bulletin entry KS1/EYFS

We are so pleased to have all children back in our class, this week we have been settling back into routines and continuing with our Australia topic making aboriginal art work and researching Australia on the internet. In EYFS we have been reading our Kevin the Kola story and writing new speech bubbles for Kevin., we have also been enjoying exploring shapes and their properties in EYFS.

Well done Everyone on a great start back to school.

KS2 Juniors

It's absolutely wonderful to see so many children back in school after such a long period of home learning! Well done to all of our parents for keeping going and working as hard as you did during challenging times.

For the remainder of the term we'll be continuing with our topic about life in Japan, learning more about where Japan is and what the geography is like, and we'll soon be making Japanese style food in our DT lessons. We've got a HUGE focus on reading in KS2 at the moment, with the children getting reading raffle tickets every time they read at home and then they have the opportunity to add their completed books to our reading challenge door. We're already really close to reaching our Easter target for completed books, which is brilliant news. Please remember to read with your children regularly at home, and to sign the planner (or send them in with a note) when you have done so.

We regularly update Facebook (Stillington Community Primary School @stillingtonschool) and Twitter (@StillingtonPri) with what we've been up to, so keep an eye out ☺

World Book Day Celebration Assembly

We will be holding a special World Book Day Sharing Assembly where we will bring all 3 schools together to announce the winners of our potato character competition. This will take place at 2.30 on Friday, 12th March. I hope you will be able to join us on the link below.
