

Stillington Primary School Weekly Bulletin

18th February 2022

Infant Class (EYFS & KS1)

EYFS: We had a wonderful Valentine's themed week in the EYFS, writing letters about people that we love. We made scrumptious, healthy muffins that included pesto, tomatoes and salami. We have been discussing healthy eating in the classroom and it would be great if your children could continue to bring healthy snacks into school.

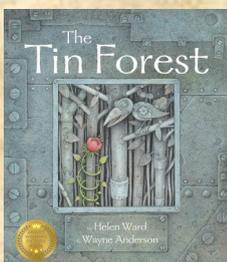

In KS1, our maths learning was about division and multiplication, and how to share out equal groups. We have finished our literacy book, 'Orion and the Dark' and have rewritten the story for ourselves.

It's been a fantastic term for the Infants and we hope you have a lovely half-term!

Junior Class (KS2)

We're already at the end of a very busy term, and it only seems like two minutes ago that we were coming back from the Christmas holidays! The children have been busy finishing off their work and completing their assessments, ready for next half term.

After the break, our topic will look at answering the question, 'How can we help to retain our rainforests?' and our core text will be 'The Tin Forest'. We're also lucky that it will be World Book Day during our first week back. One of the areas we will be looking at next half term is healthy eating, so, with this in mind, I would encourage all children to bring in healthy snacks for break time.

Mrs Moore
(Headteacher)

World Book Day

Although this year's World Book Day is on Thursday 3rd March, we will be celebrating this at Stillington on **Wednesday 2nd March**. To celebrate this, the children can all come to school **dressed as their favourite book character!** We will also be having a visit from a local author, **Karen Langtree**, who will be completing workshops across the day with all of the children. She will be bringing books into school that the children will be able to buy at the end of the day and she will hold a book-signing session in one of the classrooms. If children would like to purchase a book, they should **bring their money to school in a sealed envelope labelled with their name and the amount**. Please see the letter attached for further information.

Robinwood Residential Visit

The children had an amazing time at Robinwood last week, taking part in many adventurous activities. We were extremely proud of their resilience, confidence, communication and listening skills. For many children, this was their first time away from home. Thank you to all the staff members who made this possible and ensured the children had a fantastic time!

2022 KEY DIARY DATES

Date	Event
SPRING TERM 2022
