

Stillington Primary School

Weekly Bulletin

30th September 2022

Class 1

We have been continuing our topic, 'All about me'. The children have loved recreating Stillington, using our wooden blocks with buildings on, and talking about where their house is. They enjoyed looking at aerial view photographs of Stillington, too.

The children have also really enjoyed learning some yoga poses and listening to calming music.

In maths this week, the children have been delving deeper into the numbers one and two, counting them out from large groups and playing games using these numbers.

Class 2

Class 2 has had a very busy week! We welcomed back Audrie, our drama teacher, and we acted out and talked about some of our favourite children's stories.

In our English lessons, we built our own robots, using lots of different recycled materials. We wrote instructions on how to build them using the language of sequencing, such as 'first', 'next' and 'then.' In maths, we learnt how to identify numbers within 100 and how to represent and estimate numbers on a number line.

We have been practising songs for our Harvest Festival throughout the week and we are excited about performing them next week!

Class 3

The KS2 children have been busy little bees this week!

We have worked hard to consolidate our understanding of place value by looking at rounding numbers to the nearest 10, 100, 1000, all the way up to 1,000,000.

In English we have been borrowing and adapting phrases from our class text to write our own setting descriptions, aimed at making the reader "feel" a particular emotion as they read.

Next week, our Y3/4 children will go to Malton on a school trip for a dodgeball competition. We're so excited to see how it goes!

Message from the Headteacher...

Mrs Sarah Moore

Harvest Festival

Our Harvest Festival will take place on October 6th at 2:30pm in the church. You're very welcome to join us!

This year, we have decided to join up with Stillington Church in helping the charity [Carecent](#) to provide breakfast for the homeless, unemployed, disadvantaged and lonely.

If you would like to donate any non-perishable breakfast items for this charity, please bring them into school on the morning of our Harvest Festival Service. Attached is a leaflet with more details.

Thank you in advance for your support!

Football competition:

Well done to all the KS2 children who took part in last week's football event at Malton sports centre! You all showed fantastic sportsmanship and teamwork!
