## Weekly Bulletin

### 23rd June 2023

#### Class 1

In Early Years we have been thinking about how we can look after our oceans. We have been reading the story "Someone Swallowed Stanley" and exploring how plastic can damage the oceans and wildlife. We have enjoyed 'saving' our toy animals from the plastic filled water trays, discussing what we should do with our plastics.

Last week the children practised a running stitch to make their very own rainbow fish. This was on Friday so didn't quite make last week's bulletin!

#### Class 2

Class 2 children have been working hard this week!

We have been writing 'list poems' in our English lessons, using expanded noun phrases and description of a chosen colour.

In maths, we have been measuring the mass of various objects. We used balance scales to see if objects are heavy or light, and measuring scales to measure objects in grams.

In our history lesson, we learnt about a famous explorer – Amelia Earhart.

#### Class 3

We've had another action-packed week! The children all had a wonderful (if slightly hot) rounders tournament over at Malton. The children did us all proud with their fabulous team efforts and with the great sportsmanship that they all displayed.

The progress that the children are all making in their swimming is wonderful to see – I'm fairly sure that one day we might even have an Olympic medallist amongst us.

When we have been in class, we have been finishing our work on the Romans topic, developing our understanding of the circulatory system and the digestive system, and rehearsing for our Rocking Romans play.

Our children always enjoy their visits to/from the 'Open the Book' team at our local church!

## Message from the Headteacher

I hope you are all enjoying the lovely weather!

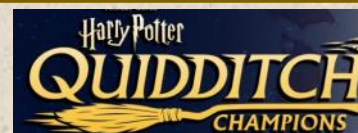

### NYCSP Useful links for Families

Please find attached a useful flyer for families, containing links provided by the **North Yorkshire Safeguarding Children's Partnership**. There are details of some free opportunities and also some advice on a range of subjects, including eating on a budget and help with the cost of living.

Particularly useful is the packed lunch leaflet, which we have also attached.

## Malton Roman Festival

Our KS2 children have really enjoyed our Roman topic this half term and have shown great enthusiasm for all things Roman!

We wanted to share with you that there is a Roman festival taking place at **Malton Museum on Sunday 23rd July**.

Details can be found [here](#): Whilst this festival is not linked to our schools, we believe it would be enjoyed by the whole family. It will certainly help to reinforce and consolidate the work that KS2 children have been doing this term.
