

STILLINGTON COMMUNITY PRIMARY SCHOOL

Parents' Survey - Summer Term 2019 - RESULTS

As part of our annual cycle of self-evaluation, we have asked parents/carers for their feedback.

We are very pleased to share with you the overwhelmingly positive responses to our questionnaire.

We work hard to ensure that we provide the very best provision for all of our children and families – this is only possible with your support. Thank you for your suggestions and comments; they are greatly valued and will inform our plans for future improvements.

Please remember that completing the questionnaire is not a substitute for coming into school to speak to Mr. Robinson or your child's teacher about any uncertainties you may have at any time. We want to hear from you and would encourage you to do this should the need arise.

Please see below for the results of the survey (based on 7 completed responses).
